PH CDC's on the Web

For your convenience, the 4E051
Career Development Course files are
now on your USAFSAM Public
Health Homepage. You find them
under "Career Development".

This was a combined effort between
SSgt Michael Dunavent from Columbus AFB
Public Health (AETC) and USAFSAM/PH. SSgt
Dunavent took the time to **transform the
existing CDC files into "PDF" format** for us
all to use. Each volume is listed separately in the
table below for you to download and use. SSgt
Dunavent **combined the graphics and the text
into one file format**; an update for those who
have received the CDCs on CDROM from
USAFSAM.

Great job SSgt Dunavent and SSgt Perry!
